VicStrip is a new innovative approach to slat panels by introducing Laminated VicPET Wool free of wood, making it more sustainable, flexible and lightweight.

**VicStrip** was drawn with the lines of contemporary styling decorative wall panels, for anyone that wishes to provide offices, restaurants, hotels, and homes with a design embellished solution amid the added value of removing sound reverberation.

VicStrip can be easily glued to walls and ceilings, free of metal nails and with joints almost invisible. Less weight also means less expensive shipment and faster transport and installation.
